

**Report of Licensee for 2012**  
**License No. 11835 (Application A002270)**  
**License No. 11836 (Application A005645A)**

**PURPOSE OF USE:** Acreage shown is estimated total commercial agricultural irrigation acreage with the District. Depending on location, this acreage may be served by one or both of two supply sources, whose supplies are covered by License Nos. 11835 and 11836.

**AMOUNT OF WATER DIVERTED AND USED:** The monthly summary below shows total operations of the Sly Park facilities, including the exercise of pre-1914 water rights and the exercise of both direct diversion and storage rights under License Nos. 11835 and 11836. Daily data are available if further disaggregation is necessary.

**Sly Park Reservoir Operational Summary**

Month	Camino Conduit Releases (af)		Sly Park Creek Releases (af)	Spill (af)	Evaporation (af)	Camp Creek Diversion (af)	Sum of Park Creek Camp Creek	Feet to Spill	
	Pre-1914	License						Max	Min
January	-	1,302	60	-	16	823	883	16.99	15.79
